BE UKCC level 3 accredited coach

Alex has competed at all the biggest events in Europe, with 5 top 5 placing a at 5* and several international wins.

He's taken a less than conventional route to Eventing, and through his journey he's has learned step by step, not being afraid of making mistakes to find what works to achieve success. He utilises his experiences to help people become more aware of themselves and their horses and works to help people achieve, and crucially, understand how they achieved. This is the foundation of being able to replicate and reproduce more consistent performances.

Fun facts:

- He lives in a very female dominant household and enjoys his love for horses with his wife and 3 daughters.
- If you're looking to get your way with Alex, a strong currency for bribery is Red Wine!
